The petitioner applied for a FL3 licence. According to the petitioner, all procedure for the issue of licence has been completed and all authorities have recommended issue of the licence. However, the Government is not passing final orders, is the complaint made by the petitioner in the writ petition. The learned Government Pleader submits that the matter is receiving the attention of the Government and an order would be passed shortly. Having heard both sides, I dispose of the writ petition with a direction to the 1st respondent to pass final orders in the application submitted by the petitioner within one month from the date of receipt of a copy of this judgment.
